Christy,

The SVOA sample was shipped to you by mistake. If possible, could you dispose of the sample for us? We will recollect the sample and ship it to our CLP lab as intended.

Thanks,

Corey

According to the COC submitted you have shipped a Field QC sample for CLP SVOA/SVOASIM to the Region 6 Laboratory. Actual samples have not been received to verify the shipment. The Region 6 Lab does not have lab space secured for this sample for this analysis. This sample should have been submitted to your CLP Lab. The Region 6 Lab does not do SVOASIM analysis.
